

# The Drive to December

**2015 NCHV Veterans Access to Housing Summit | Oct. 5-6, 2015 | Washington, D.C.**

## Schedule of Events (subject to change)

The 2015 NCHV Veterans Access to Housing Summit is focused on helping attendees identify immediate and clear actions they can take to increase collaboration to accelerate their community's efforts to end veteran homelessness by the end of 2015 or sooner!

Our panel of Federal representatives, technical assistance providers, and best practice experts from the field will help attendees build a plan of attack to infuse their community's process to end veteran homelessness with more urgency by adopting proven strategies and adapting them to fit each unique locale.

The time is now to end veteran homelessness in your community and in your nation! Register today for the 2015 NCHV Veterans Access to Housing Summit to capitalize on the current resources and goodwill to build long-term housing capacity and stability for each veteran in crisis.

Each working session will be intensely interactive with best practices, tools, resources, and strategies presented to be quickly digested. Attendees will also have the opportunity to troubleshoot with experts and peers on how to apply the lessons learned or address specific challenges and issues they face in their community.
