The Honorable Rosa DeLauro  
Ranking Member  
Subcommittee on Labor, Health and Human  
Services, Education, and Related Agencies  
United States House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

As you write your appropriations bill for fiscal year 2017, we ask that you robustly fund the Homeless Veterans' Reintegration Program (HVRP) at the U.S. Department of Labor.

HVRP focuses on helping veterans experiencing homelessness to find meaningful employment. Veterans receive skills training, career counseling and resume writing assistance through local organizations funded through HVRP. In addition, veterans are connected to stable housing and other supports to help them reintegrate into the labor force and their community.

The Medford Oregon HVRP in the first year alone found meaningful employment for 58 of the 95 enrolled veterans - a very credible figure given the challenges encountered when placing this vulnerable population into employment. The program was able to provide a local veteran living in his truck with OSHA training, resume assistance and referral, and job fair opportunities, all of which led to a steady job as a Certified Skilled Ironworker.

As a result of past HVRP investments and other public-private initiatives, our country has made tremendous progress in reducing the number of homeless veterans by more than 26,000, or 36 percent, since 2010. However, local reintegration supports are still needed in order to meet the challenges faced by homeless veterans with mental illness and other barriers, as well as to tailor services to female veterans, the fastest growing segment of the homeless population. Robust funding for HVRP will provide these services in more communities and increase the number of veterans served.

We fully recognize the limited resources available among the many priorities within the Labor-HHS-Education Appropriations bill. However, we urge you to carefully consider the needs of America's veterans by strongly funding the Homeless Veterans' Reintegration Program at the Department of Labor.

We thank you for your consideration of this important issue.

Sincerely,
