Senior Community Service Employment Program (SCSEP)

Age is an Asset; Experience a Benefit

- SCSEP is a community service and work-based training program for older workers. It is funded through the Department of Labor under Title V of the Older Americans Act of 1965.
- Every county in every state has funding for eligible, low income, mature workers, with a few exceptions.

Eligibility for Services

- 125% of federal poverty level
- Age 55 or older
- Unemployed
- **Veterans preference**

Paid Work-based Training

Program participants are in training an average of 20 hours a week, and are paid the highest of Federal, State or local minimum wage, as a training stipend, by their service provider (I.e., Easter Seals)

Benefits to the Community

- Host Agencies and employers find that mature workers:
 - ✓ Are great mentors for younger employees
 - ✓ Provide Services to the community they could not otherwise afford
 - ✓ Have a strong work ethic
 - ✓ Are dependable
 - ✓ Are eager to learn

Co-enrolling Participants

You can co-enroll SCSEP participants with other employment-related programs such as HVRP and SSVF **if** you both provide different services leading to employment - it doesn't matter which organization actually placed them, you ALL get to count it as a successful placement!
